**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Free market capitalism and competition out in the open. I choose aggressive competitors for networking and other comm services. But I wont be able to get fiber if ATT jacks up rates to quash open competition. My provider challenges the big monopolies. Service and rates are proven better with competition.
